

STUDENT SESSION SUMMARY

JIGHYE, B

20-Minute Video Session

Strengths

- Demonstrated confidence in speaking and engaging in conversation.
- Responded well to corrections and was able to self-correct quickly.
- Showed willingness to try new vocabulary and sentence structures.
- Pronunciation improved noticeably after guided practice.
- Polite and clear communication in role-play exercises.

Areas for Improvement:

- Grammar: Focus on verb tenses (“eat” → “ate,” “make” → “makes”) and polite phrasing (“I want” → “I would like”).
- Pronunciation: Continue practicing challenging sounds such as th in “thought,” “through,” and “though.”
- Vocabulary: Use new words in full sentences to reinforce understanding and context.
- Fluency: Reduce pauses by preparing sentences in advance for common topics like hobbies, movies, and ordering food.

Overall Feedback:

The student had an excellent session, showing both confidence and willingness to learn. They were attentive to corrections, applied them effectively, and engaged actively in conversation and role-play exercises. With continued practice, their speaking fluency, grammar accuracy, and pronunciation will improve steadily. The positive attitude and eagerness to learn are clear strengths that will help accelerate progress.

Next Steps:

- Practice daily short conversations about hobbies, movies, or daily routines.
- Record yourself reading sentences with challenging *th* sounds and compare to a native speaker.
- Write 3–5 sentences using new vocabulary words each day.
- Review polite phrases for ordering, requesting, and asking questions.
- Optional: Watch a short English video and summarize it aloud to improve fluency and sentence structure.
